

# **Your Drinking Water Comes from Groundwater: How is it Monitored?**

Everything you wanted to know about the Barrington Area Council of Governments' (BACOG) groundwater monitoring program, their test wells and what they are monitoring

And

## **Are your ordinances up-to-date with the times?**

Program sponsored by the Flint Creek/Spring Creek Watersheds

**Tuesday July 11, 10am, Barrington Village Hall  
200 S. Hough St.**

Join the Watershed Partners and learn:

*Featuring Janet Agnoletti, BACOG Executive Director and  
Cecily Cuntz, Applied Ecological Services*

All are welcome, no charge

The Flint Creek Spring Creek Watersheds are updating their watershed plan and welcome input from community members and the public living within the watersheds. Flint Creek/Spring Creek Watersheds are sponsored by our partners: Barrington, Barrington Area Conservation Trust, Barrington Area Council of Governments, Barrington Area Development Council, Barrington Hills, Citizens for Conservation, Deer Park, Lake Barrington, North Barrington, South Barrington, Fox Point Homeowners Lake Association.

And supported by a grant from the Barrington Area Community Foundation
